

Creating an Apple ID through the App Store

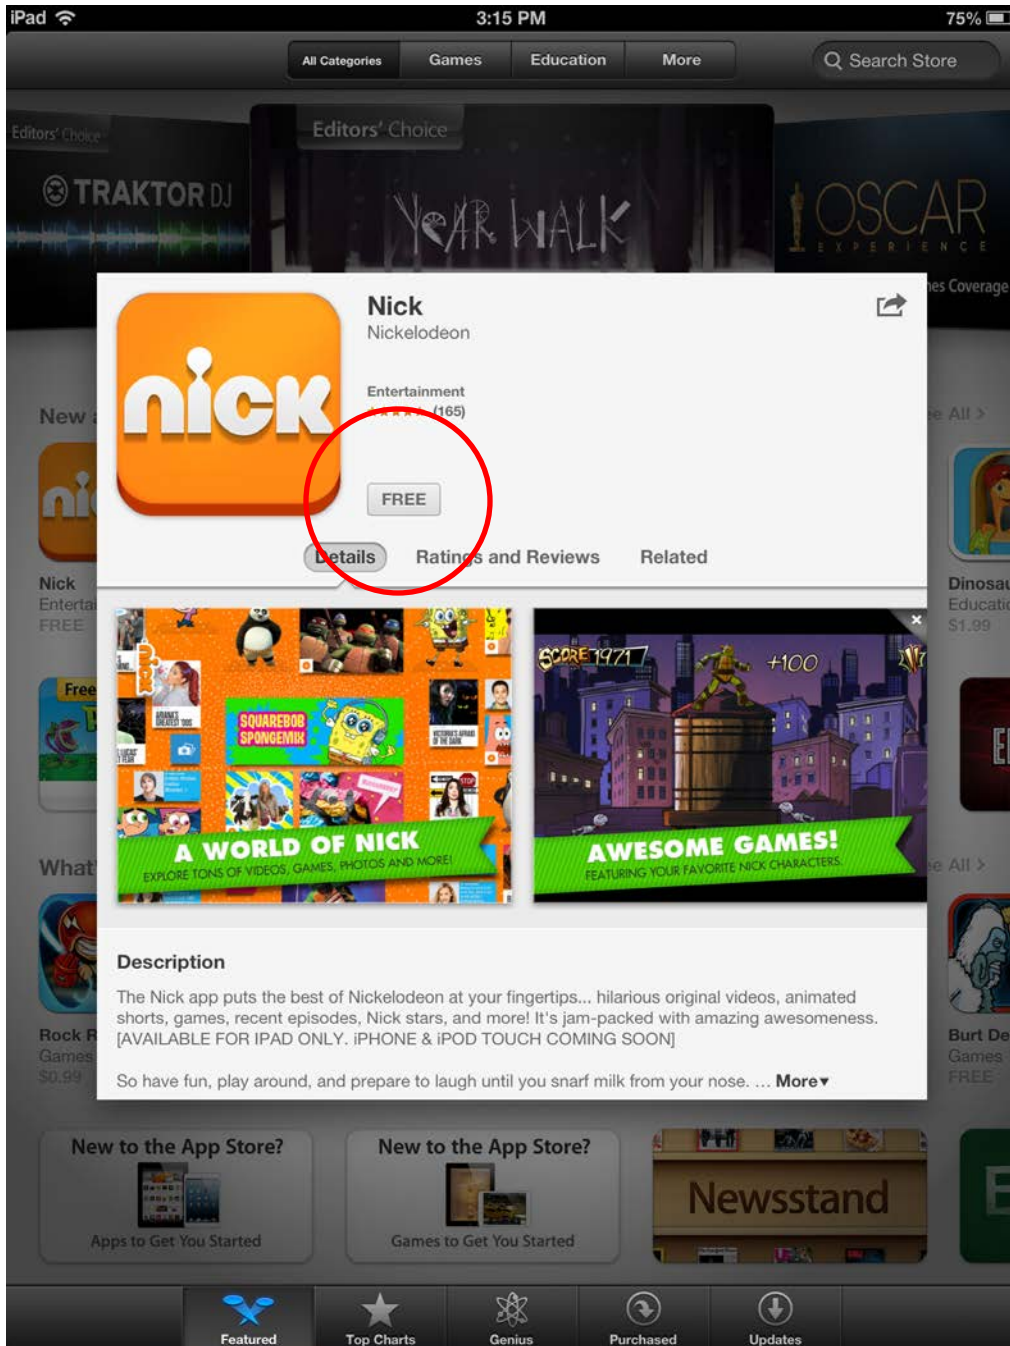

Tap the "App Store" Icon on the bottom Row

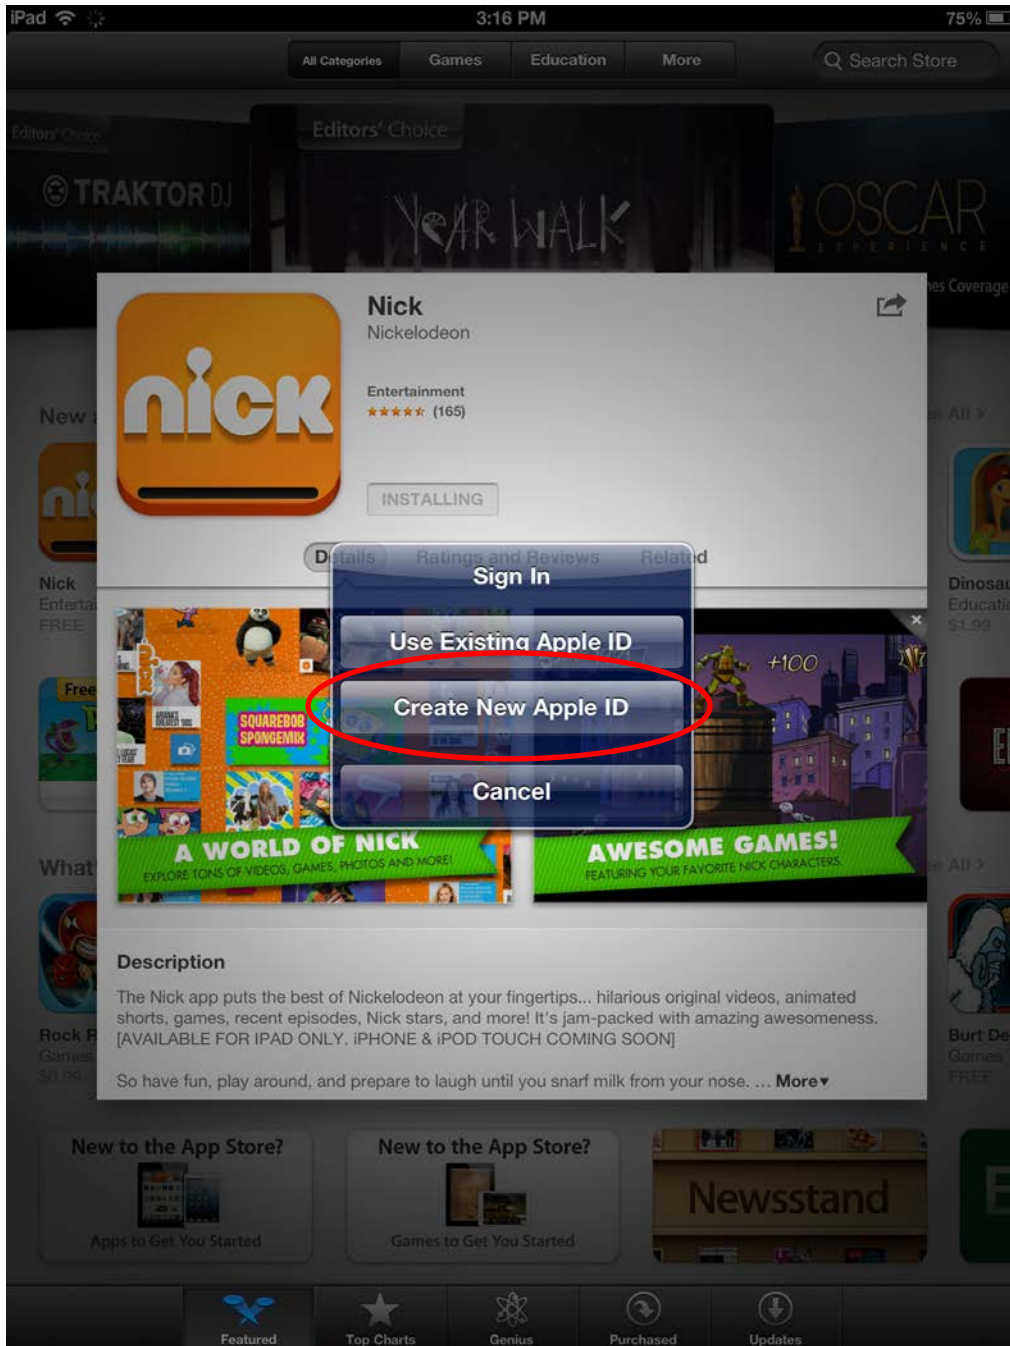

Tap "Close" on this window if it appears

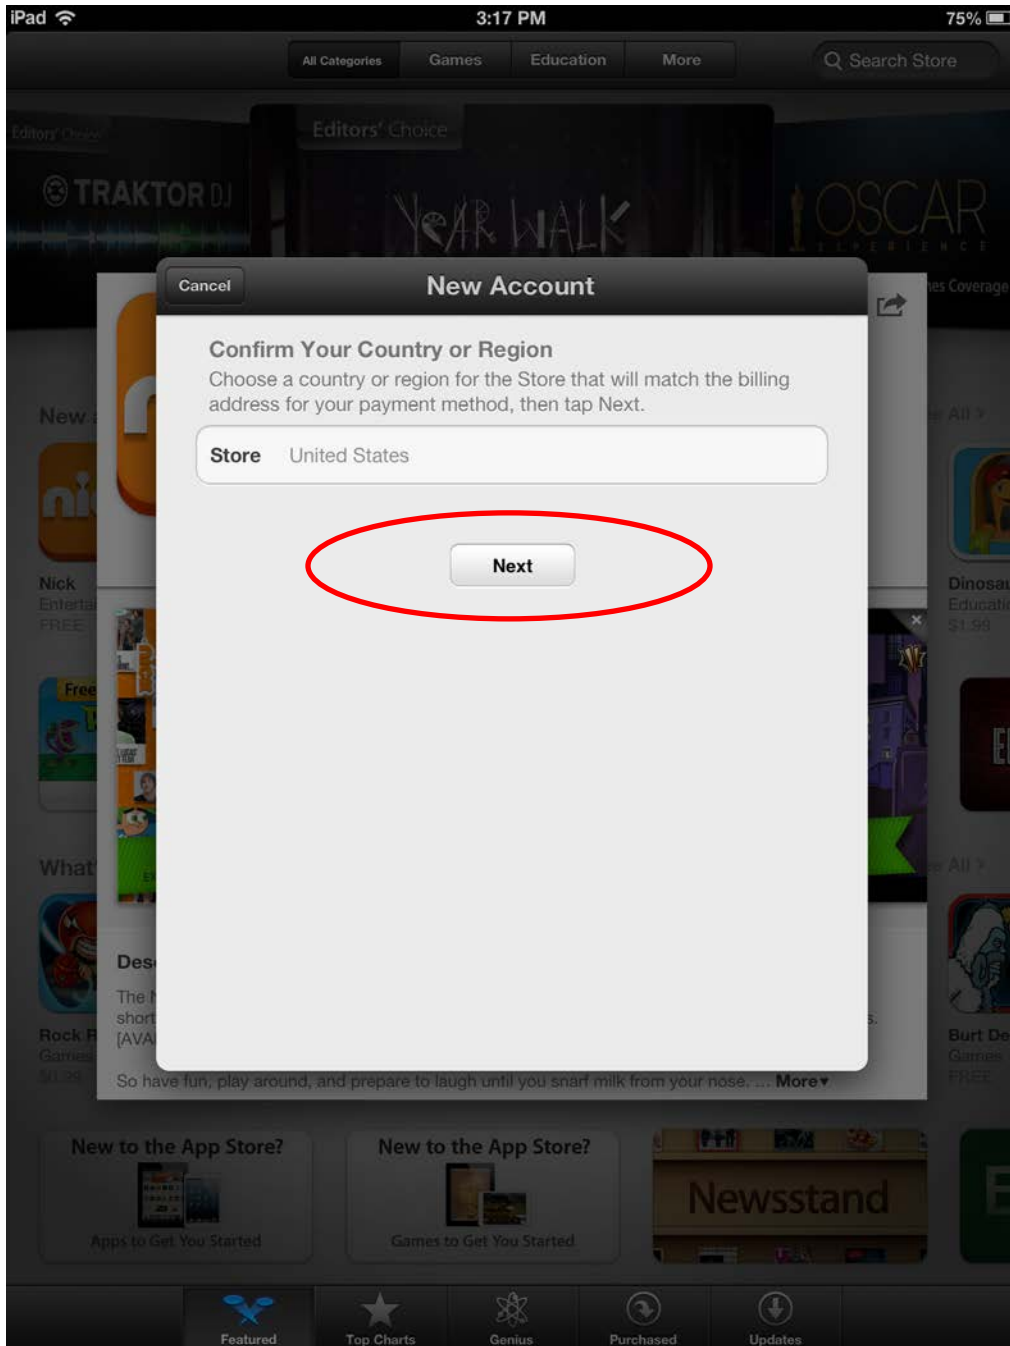

Select a **FREE** app to install from the App Store (any free app will work)
(This is necessary to be able to select the "none" option when you enter in the billing/payment information later on in the account set up)

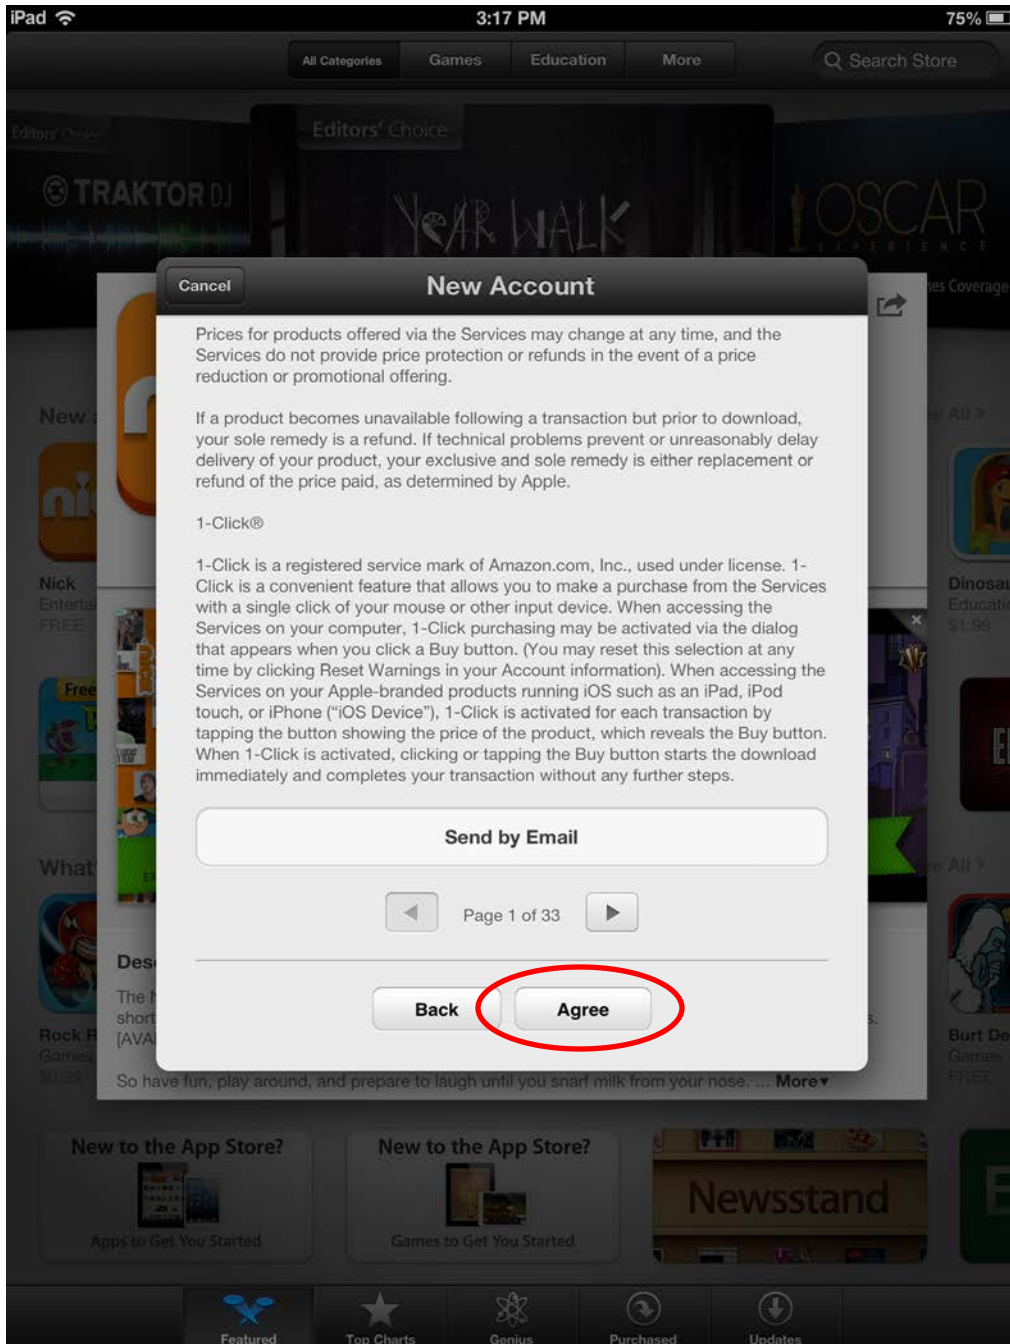

Tap the "Free" button, this should change the button to green and begin the installation process

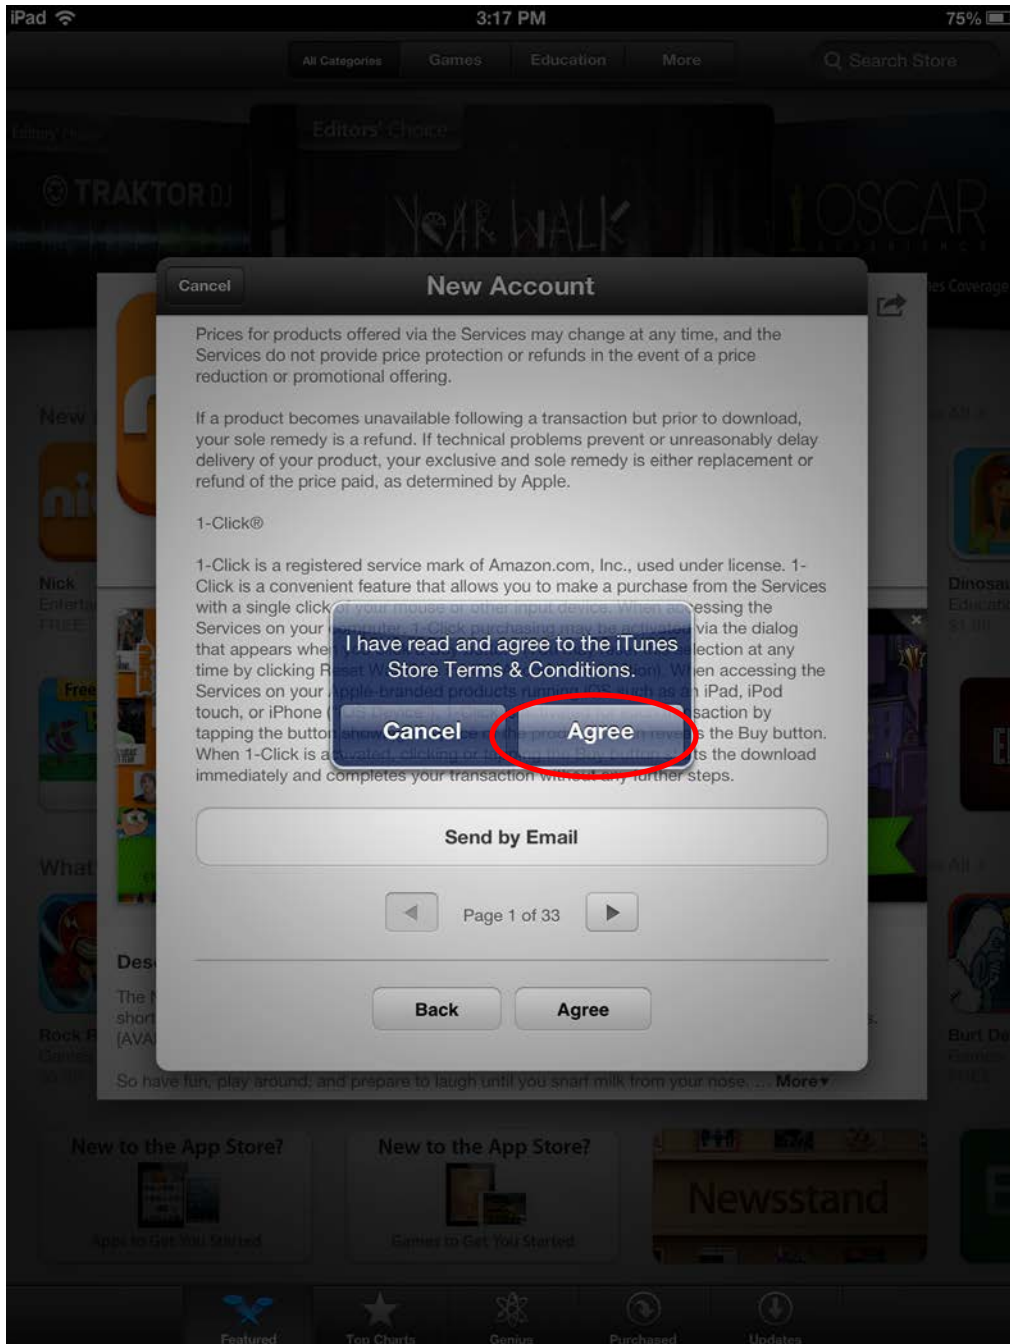

You will be prompted for account information. Since you have not created an Apple ID yet up to this point, you must select the option to “Create New Apple ID”

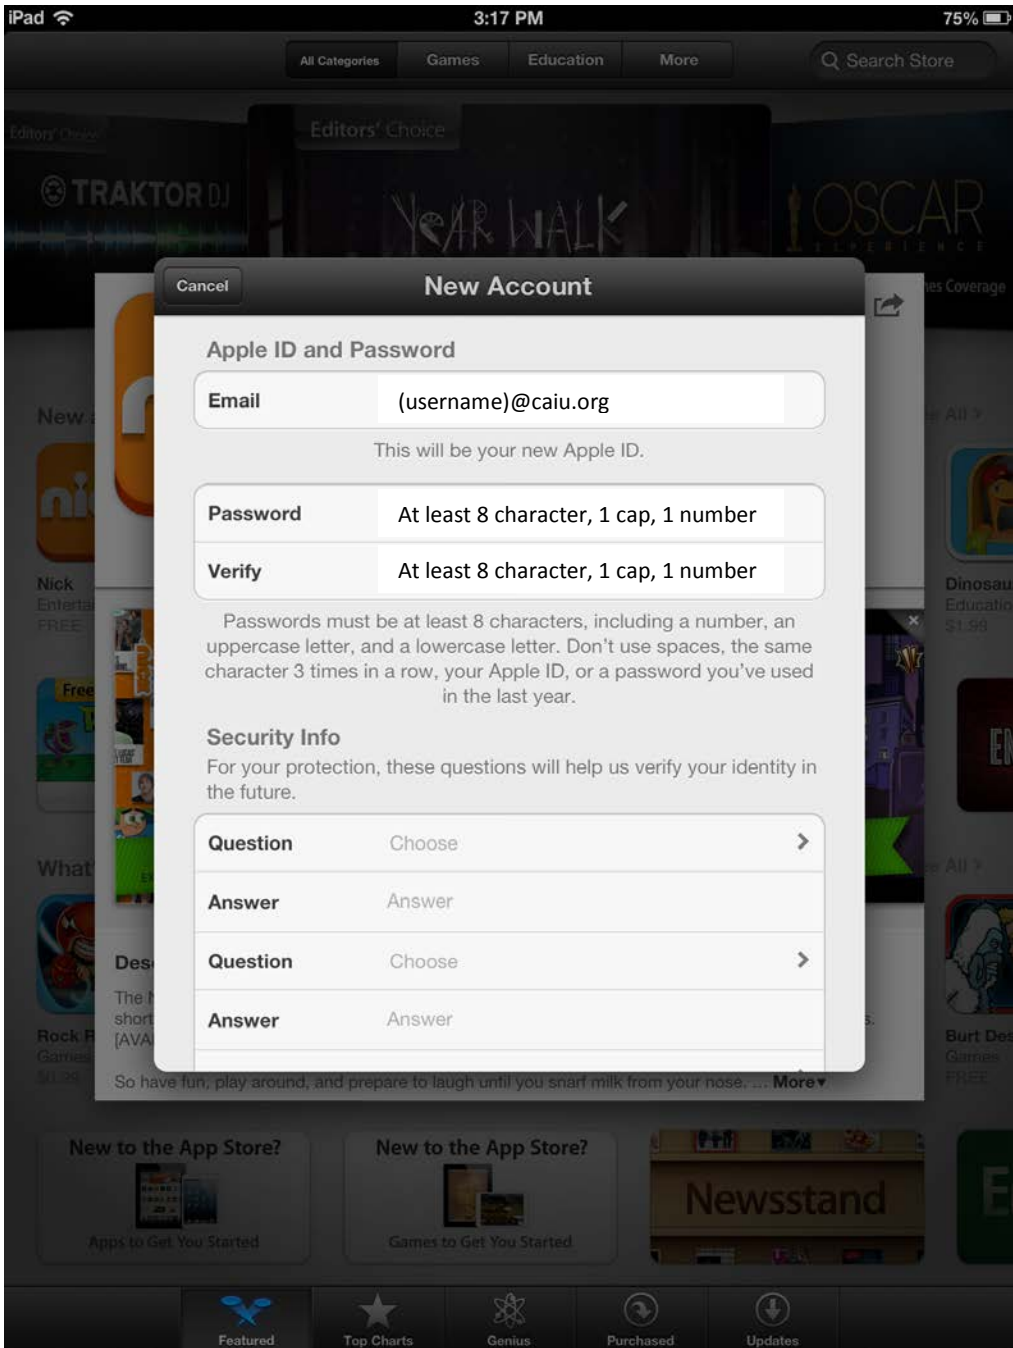

Choose "Next" after you specify which Country you are located in.

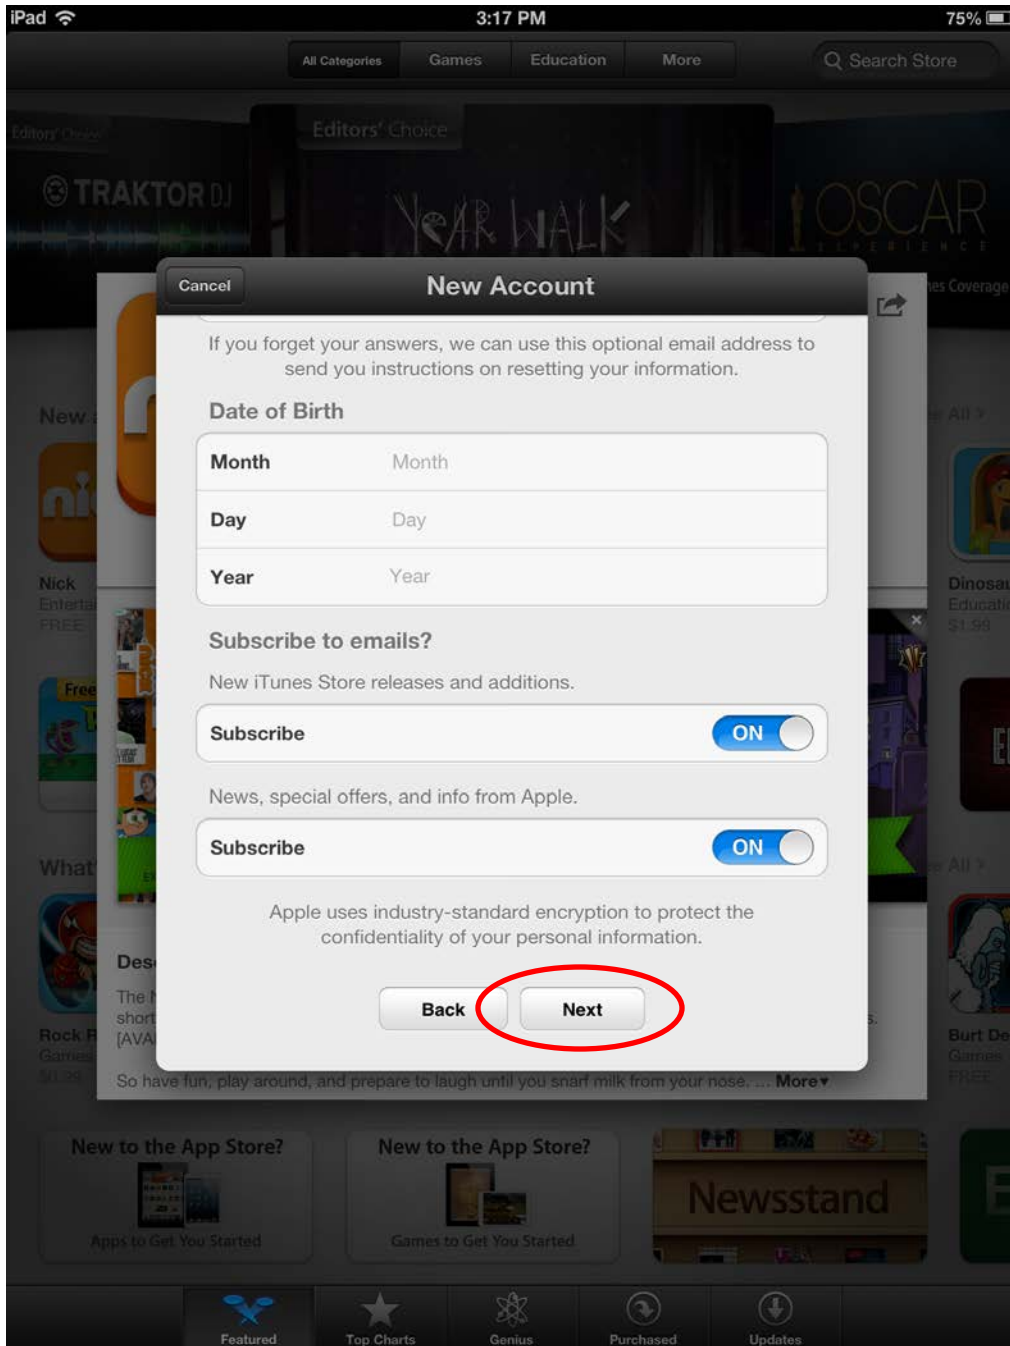

Scroll to the bottom of the Terms & Conditions page and select "Agree" to advance

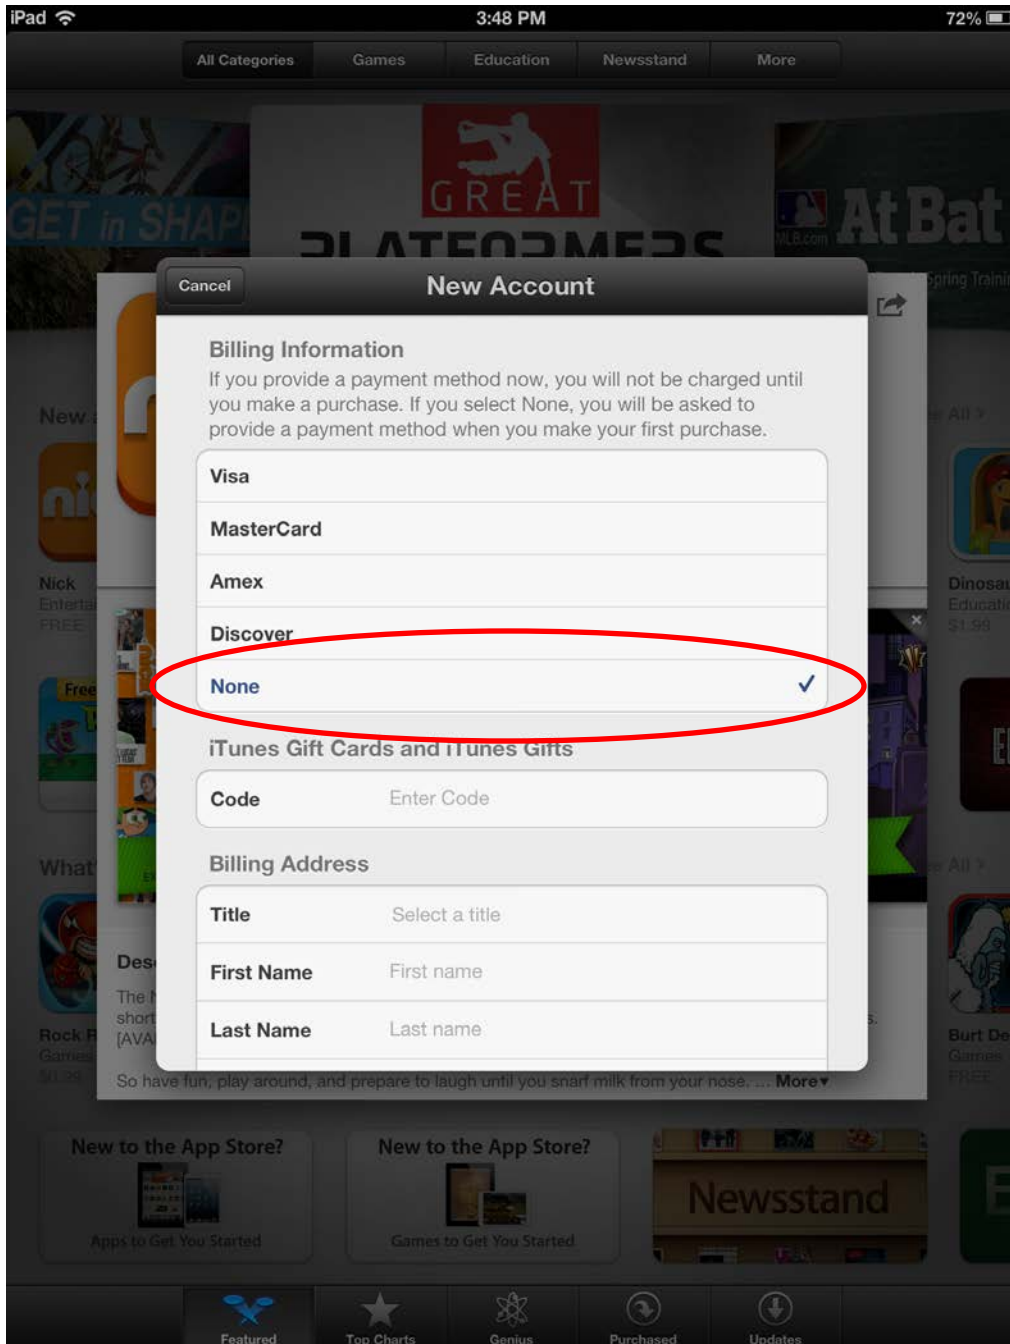

Select "Agree" if any more prompts appear for the Terms & Conditions

Enter in the following information as it pertains to you. You may choose yes or no to the questions regarding subscribing to their iTunes emails.

Choose "None" as a payment option when prompted.

Skip the portion where it asks to enter a promo code

Fill in the billing address with your individual title, first, and last name.

Fill in the physical address info as follows: 55 Miller Street, Enola, PA 17025
